

## **Year 7 Catch Up Premium 2019/20**

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils who did not achieve at least level 4 in reading and/or maths at the end of key stage 2. We expect to receive £12,000 to support and extend the achievement of our 24 eligible pupils.

The funding will be used as a contribution towards;

### **1. Targeted interventions for Year 7 pupils by SALT (Speech & Language Therapist)**

#### **Details**

Following the successful outcomes generated by this intervention in previous years, the decision was taken to repeat the programme with Year 7 pupils 2019/20.

#### **Outcomes**

Improvement in Reading and across all strands of English including early communication has been successfully identified via key assessment points throughout the year.

### **2. Development of maths skills via the supported use of on-line learning tools**

#### **Details**

Sumdog on-line maths programme is a motivating and exciting way for pupils to extend their maths skills. Support will be required to successfully introduce the year 7 pupils to the scheme.

#### **Outcomes**

Improvement in numeracy skills including problem solving have been identified via key assessment points throughout the year.

### **3. Holistic based interventions**

#### **Details**

Holistic based interventions via The Mentally Healthy Schools Programme will be used to reduce barriers to year 7 pupils' learning.

#### **Expected Outcomes**

Personal development skills have been successfully evidenced via individual case studies & have enabled individual pupils to access the academic curriculum more effectively, as evidenced by their EKS outcomes in core subjects.
