

# Sequencing Homework 2

<b>Name:</b>		<b>Class:</b>	
--------------	--	---------------	--

**Task 1:** Look at the following maze. Write a series of instructions to tell somebody how to move through the maze from A to B. You can only use commands such as “forward 5” (to move forward 5 spaces), “turn left” or “turn right”.

Write your instructions below	
1.	11.
2.	12.
3.	13.
4.	14.
5.	15.
6.	16.
7.	17.
8.	18.
9.	19.
10.	20.

**Extension Activity:** Use the space on the back of this sheet to create your own maze and then write instructions for how to get through it.
