Bright Futures Educational Trust (The Trust) is a multi-academy trust set up in 2011. The Trust is made up of a richly diverse group of schools in Greater Manchester and Blackpool. We are passionate about working together within and beyond the Trust to achieve our aspirational vision: the best *for* everyone, the best *from* everyone. We are an organisation that is underpinned by values of: **community, integrity, and passion**. In everything we do, we remember that we are accountable to the children, families, and communities that we serve.

Our schools have their own identities, form one organisation and have one employer, Bright Futures Educational Trust. Bright Futures' Board of Trustees maintains strategic oversight of the Trust and delegates some of its responsibilities to the Executive Team, Principals, and local governing bodies. We place a high value on integrity and probity and take seriously our accountabilities for making the best use of public money. How decisions are made is described in our delegation framework. You can find out more about the Trustees and the Executive Team on our website: <http://bfet.co.uk/about-us/>.

The central team includes the Executive: John Stephens, CEO; Edward Vitalis, Chief Operating Officer; Gary Handforth, Director of Education; Lisa Fathers, Director of Development, Partnerships and Teaching School Hubs and Lynette Beckett, Director of HR & Strategy. The focus of these roles is to work with schools, providing high quality and timely guidance, leadership, challenge, and support. In addition to the executive team, we have central operations for finance, communications and marketing, HR, educational psychology, and digital technologies. Please see our website brochure which explains our central operations: [Working together for a Bright Future](#).

Bright Futures Development Network is another important outward facing component of our organisation. Underneath this umbrella we have 5 network hubs. 'The Alliance for Learning' (AFL) which provides school improvement services and CPD to over 700 schools (<http://allianceforlearning.co.uk/>), a North West Maths' hub providing mathematics training and coaching to 500 schools and a SCITT (School Centered Initial Teacher Training) which is the largest in the North West. After significant national reforms to the teaching school policy, Bright Futures was designated with two new large-scale Teaching School Hubs in 2021. The areas we serve are Manchester, Stockport, Salford, and Trafford. Our two Blackpool schools benefit significantly from the Trust's wide range of strategic partnerships, having priority access to high quality CPD, professional expertise and bespoke learning opportunities.

Collaboration and strong relationships form one of the 'commitments' in our Strategy and all components of the Bright Futures' family work closely together. Our Strategy was developed collaboratively and can be found on our website: [Our Strategy](#).
